PRESS RELEASE

04 April 2024

Subject: Case of Impersonation & using Unfair Means (UFM) caught during the conduct of the JEE (Main) 2024 Session -2 Examination.

The National Testing Agency, today conducted the JEE (Main) 2024 Session-2 Examination in 02 Shifts in 290 Cities at 495 Centres across India and Abroad.

Due to strict controls and vigilance, **01 case of impersonation** and **09 cases of UFM** were caught today during the conduct of JEE (Main) 2024 Session-2 Examination across the country. All such cases will be dealt with as per the UFM procedures.

The National Testing Agency has deployed AI tools, iFace to ascertain the identity of candidates through cross verifying the photo on the admit card with the live photograph of the candidate that is taken at the exam center, mandatory frisking, EKYC etc.

A detailed plan was chalked out to execute the examination. Control Rooms for Strict Vigil & monitoring were set up at NTA, New Delhi. Live feeds from Cameras installed in each of the Exam rooms/Labs were closely monitored by Virtual Observers who generated real time alerts.

A big pool of functionaries has been deployed by NTA for providing biometric, frisking, CCTV and Jammer Services, besides NTA's Officers and its own Observers, Virtual Observers and Flying Squads to facilitate smooth conduct of the examination.
